BENEFIT CONCERT April 25th

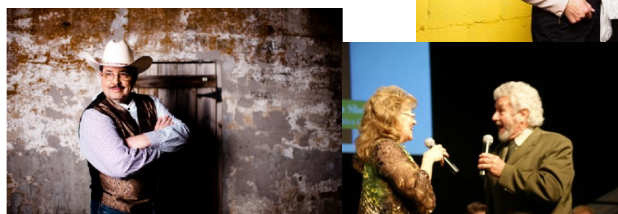

- **BUSY IN MINISTRY**

We seem to be staying busy with both the Meal Ministry and the Womens Life House. People coming and people going. The Meal Ministry numbers are beginning to rise with the warming of the weather. The Womens Life House is seeing women come as others are transitioning out and into their own apartments. Things are busy. And, as things with these ministries keep us busy, we've also began to work on the space above the Meal Ministry.

This space above the Meal Ministry will be housing mission teams in the future: It will sleep fourteen people. When these mission teams come they will be helping New Life Ministries by serving in the Meal Ministry and helping in the Womens Life House, but before we have any mission teams come we need to complete the living quarters. We are planning to finish the area by the end of May. We are in need of eleven twin mattresses.

- **BENEFIT CONCERT**

We will be having a Benefit Concert that will support the ministries. We will be having two concerts in one day. There will be an afternoon Gospel concert with six different singing groups. Doors open at 130pm and this concert starts at 200pm. The Contemporary concert starts at 630pm. Doors will open at 600pm. Tickets are \$6.00.
