NewLife Ministries

JANUARY 2015

ISSUE #4

We are now officially New Life Ministries

Special points of interest:

- *The Meal Ministry is 8 years old Jan 15th!*
- *The Womens Life House helped more than 25 women in 2014.*
- *There are more than 50 volunteers who serve at the Meal Ministry every month.*
- *For any questions please call 260-519-1664*

The Meal Ministry and the Womens Life House are now officially New Life Ministries. It has taken a little time to get all the work done for the merger. Both ministries will continue operating as they previously were. The Meal Ministry will continue to serve an evening meal to those in need in the community and the Womens Life House will continue to help women with shelter, food, sup-

port, and classes.

We are excited to see these ministries work together. The women from the Life House serve by volunteering at the Meal Ministry and in return the Meal Ministry supplies food to the Life House. Both ministries are now assisting each other to better serve the people in the community.

This last November we had a benefit auction and raised

\$4,800.00. We also did a mail out campaign to raise funds for these ministries. This campaign raised \$12,859.37. The yearly budget for these ministries is \$86,109.00.

We want to thank all who gave financial gifts in 2014. Your financial gifts are truly a blessing to the Meal Ministry and the Womens Life House. A sincere thank you to the partners for your faithfulness.

Open Position now Filled.

We've searched, prayed, and sought out the right person to fill the house manager position at the Life House. After what has seemed like many months, we have finally filled the position.

The person lives at the Life House and is the ears and eyes of the house when the directors are gone.

Huntington County Comm. Foundation Grants two computers & two printers !

Two students from Huntington University applied for a grant with the Huntington County Community Foundation to get assistance with two computers and printers needed for the Ministries. The total of these tools came out to \$1040.00. One computer/printer will help with the administration work of the Meal Ministry and the other computer/printer will be used for educational purposes by the residents of the Womens Life House.

We want to give a big shout out of thanks to the Huntington Co. Comm. Foundation for approving the grant and gifting these computers and printers. This gift is a big help to both ministries. Thank you!
