### AN EVENT YOU WILL NOT WANT TO MISS

On May 19, we invite you to join us for our annual Spring Banquet. This is a one-night charity event held at the Huntington PAL Club. This year our goal for the event is to raise \$50,000 to help New Life Ministries continue to help people.

We are blessed to have Steve Kimmel from the Huntington County Chamber of Commerce as our MC for the night. He will lead us through opportunities to hear more about the ministries from Jimi Staton (director of New Life Ministries), a financial partner, a resident from the Men's Life House, and a couple of the current women from the Women's Life House. There will also be a meal during this event.

If you are interested in attending, we ask that you RSVP by visiting <https://www.newlifeministries-indiana.com/spring-banquet/> or contact us at 260-200-1372. Tickets are \$35 per person or \$280 for a table that seats 8. If you are interested in sponsoring the event, please contact us at 260-200-1372. Please let us know if you have any questions regarding this event and we look forward to seeing you there.

## MISSION TEAM IMPACT: REDLAND BAPTIST CHURCH, GEORGIA

Redland Baptist Church sent a mission team of fourteen individuals, who were mostly youth-age kids, to serve in Huntington from April 3-8. This team was eager to get to work right away, and they were encouraging and a blessing to us during their time here.

While here, this team worked on many different projects. One project was finishing putting up the drywall on the ceiling by the balcony in New Life Fellowship. Another group worked on building and improving the front porch of the Men's Life House. When the weather was a little warmer, a few members of the team worked on updating the landscaping at the Women's Life House. This group also served dinner at the Meal Ministry every night. The youth were eager to talk with those who came down for a meal and they even got to cook their final night in town.

Their excitement to serve was a blessing to see and we hope to see this team back again next year.

## MISSION TEAM IMPACT: HILLCREST BAPTIST CHURCH, OHIO

It was great to have Hillcrest Baptist Church join us again for another mission trip on April 26 and 27. This group was a smaller group, but they were extremely skilled in construction and were able to complete some tasks that required specific sets of skills.

While here, this team finished some flooring updates in New Life Fellowship Church, replaced a door for the office in the Men's Life House, replaced three windows at the Men's Life House, and more. This team was only here for two days, but they were able to accomplish many projects for New Life and we are grateful for their continued help in all our projects.
