## GOD MOVED AT THE 2022 SPRING BANQUET

Emceed by Steve Kimmel of the Huntington Chamber of Commerce, this year's Spring Banquet found itself at the Huntington PAL Club. Although this night is a charity night to help raise funds to continue to run the ministries, it is more importantly a night to share stories of God moving in the lives of people who are a part of New Life Ministries.

Steve Kimmel did an excellent job interviewing various individuals as one way to share what New Life Ministries is doing. His first interview was with Pastor Jimi Staton, the director of New Life Ministries. Through this interview, we learned more about the ministries, the purpose of each piece, and how God played a role in the start of each aspect of New Life Ministries.

Steve Kimmel also interviewed Lynn Clampitt, a regular volunteer at the Meal Ministry. Her bright personality lit up the room and her joy for serving others was easy to see.

Chrissy and Chad were also interviewed by Steve Kimmel. These two individuals are both residents of our Life House

programs, and both shared a little bit about how the program works, what brought them to the houses, and how it has impacted their lives.

Outside of the interviews, we heard many wonderful testimonies. Ben Ryan, of New York Life, was the first to share a testimony. As a regular financial partner of New Life Ministries, he shared more about why he and his wife choose to support New Life Ministries. He shared a touching personal experience that opened his eyes to the challenge of

homelessness in Huntington and how the Men's Life House was a ministry even he knew was needed in Huntington.

Chelsie and Angie, two women from the Women's Life House, also shared their testimonies. Some tears were shed from those in the room as these women shared their stories about where they were before the Women's Life House and where they are now. It was impossible to miss how grateful they are for New Life Ministries, the Women's Life House, and all the staff in the houses.

Sharing the impact was the primary purpose of the 2022 Spring Banquet, and through sharing how God is working, God has blessed. Going into the event, we had a goal to raise funds to help continue the work we do. Due to the generosity of others who believe in the mission of New Life Ministries, we have raised over \$30,000 and checks are still arriving in the mail. We are grateful for God's blessing and for the support from those who gave. We are eager to continue to serve people and meet the needs of those in the community.

## COMMUNITY SUPPORT THROUGH POST OFFICE FOOD DRIVE

On the second Saturday of May, the post office held its Annual Stamp Out Hunger food drive. The Meal Ministry is blessed to be one of the organizations that receive donations as a result of this food drive. Thanks to the many generous individuals in the community of Huntington, we were able to receive around 3,500 pounds of non-perishable food items that will help us continue to offer free, warm dinners 365 days a year.
