## A HOLE-IN-ONE EVENT

---

Rain and surrounding storms could not stop us from finishing our round and having fun at our Annual 4-Man Golf Scramble for New Life Ministries.

We are thankful for the 19 teams who registered and the 18 teams who were able to golf for New Life Ministries. We are also thankful for the businesses and individuals who sponsored this event. We want to give a special thanks to James and Jane Friermood for sponsoring our raffle and First Federal Savings Bank for sponsoring the lunch.

The 2022 4-Man Golf Scrambled proved to be a successful one too! This year we hit a new record for the number of teams registered. We also had one of our largest 50/50 raffles thanks to those who paid into this raffle. It was a blessing for the winner of this raffle to also donate his winnings back to New Life Ministries.

Most importantly, we were able to spread awareness and raise over \$6,800 to continue to help those in need. Thank you again to everyone who was willing to support and join us for this event.

## LIFE HOUSE GRADUATION: CHRISSY

We are excited to share another Life House graduate for the year. Recently, Chrissy has graduated from our Women's Life House program. If you were at the Spring Banquet, you may have gotten the chance to hear Chrissy share a little about her story and experience at the Women's Life House.

Chrissy had been at the Women's Life House prior to her recent stay. What brought her back was an arrest that had her sitting in jail for 6 1/2 months, waiting to be sentenced by the Drug Court program. "During that time, I prayed God would set me free from addiction and that the Lord would put it in sister Carla's and Pastor Jimi's hearts to open the door for me to come back to the Women's Life House so I could get myself back on my feet the sober and stable way."

And that is what happened. Chrissy came back to the Women's Life House and she worked hard to make the changes she needed to make. Now that she has graduated, she has big plans. "My plans after graduation are to remain sober and to stay strong in my faith. I am looking forward to building stronger relationships with my two girls. I'm also going to continue to save money and remain in the Drug Court for about 10 more weeks to graduate this too. Then I am planning on moving towards Tennessee to build a future and hopefully do some sort of work with others in recovery."
