## LIFE HOUSE GRADUATION: KYLE

In early September, we were able to celebrate the first graduate of our Men's Life House. We want to congratulate Kyle on meeting the program requirements to graduate from the Men's Life House.

From the first day he entered the home, he put in the work to make the changes he needed. He has become a star employee at work and always helped keep morale up in the home. We are proud of his accomplishments and pray for his continued success outside of the Men's Life House.
