“FOR WITH GOD NOTHING WILL BE IMPOSSIBLE.” LUKE 1:37

MAKING AN IMPACT WITH WEEKDAY LUNCHES

No one should have to worry about not having food, and we are thankful to be able to provide more opportunities for people to receive a free meal. New Life Ministries continues to offer free dinners 365 days a year and has been serving free weekday lunches at noon since February.

In just one month, the New Life Community Meal Ministry has served about 200 lunch meals. On average, we serve roughly ten meals each lunch. On our busiest day, we served 16 lunches. As the community becomes more aware of our additional hours, we have seen more people visiting us during our weekday lunches.

Just like our dinners, the lunches being served are nutritious, filling, and well-balanced meals. So far, lunches have consisted of soups like chili, chicken and noodles, and beef stew. These soups have been served with either sandwiches, butter bread, or hot dogs. Occasionally salads have been served in place of soup and, when available, fruit, cookies, pie, or cake have been served too.

These new lunches are running smoothly and the Meal Ministry Director has created an efficient system to help make these lunches operate well. God is continuing to provide the food needed through donations from the community and we have been able to utilize more of the items in our freezers and pantries.

Serving these lunches requires lots of help and we are still in need of volunteers. Whether it is for lunch or dinner, one day a month, or one day a week, we need more help! Can you help us serve free meals? If you can help, please text our Meal Ministry Director at 260-519-3637 and he will add you to the schedule.

BEACON CREDIT UNION DONATES \$10,000

Our Women's Life Houses were blessed greatly with a \$10,000 grant from the Beacon Credit Union Foundation in February.

The funds provided will be used to help cover the expenses required to operate our Women's Life House - Step Up House and Women's Life House - Fresh Start House. This grant will cover roughly one month of expenses. Beacon Credit Union's support is helping change the lives of the women we serve and is making a difference in the community. We are grateful for their support of New Life Ministries.

FIRST FEDERAL GIVES DURING JANUARY FUN FRIDAYS

Each month First Federal Savings Bank selects a nonprofit to support during their Fun Fridays. New Life Ministries had the honor of being selected for the month of January.

First Federal Savings Bank has always been a great partner and we are thankful for the donation we received on behalf of their staff.
