VOTE DAILY TO SHINE A LIGHT ON THE MINISTRIES

It is time to begin casting your Project Spotlight votes! Throughout July, we are asking for your help to vote once a day, every day for New Life Ministries.

Project Spotlight is a community support program through Beacon Credit Union to help support community projects and organizations doing good work in the community. We are honored to have been nominated to possibly receive one of three financial rewards for Huntington County.

However, we need your help! We need people like you, who believe in the work of New Life Ministries, to vote for us. Voting is scheduled to run July 1st through July 31st. Every person is able to cast one vote per day, per community. That means you could vote for New Life Ministries 31 times throughout July! You can also encourage your friends, family, and coworkers to vote too.

To cast your vote, visit www.beaconcu.org/project-spotlight/project-spotlight-vote-huntington-county/ or visit a Beacon Credit Union site. We will also be sharing the voting link on our Facebook page throughout the month too.

By voting for New Life Ministries, you are voting for an organization that believes in serving people at the crossroads. When you vote for New Life Ministries, you are voting for an organization that serves free weekday lunches and free nightly dinners to the community. When you vote for New Life Ministries, you are voting for an organization that provides transitional housing and support to men and women. And, when you vote for New Life Ministries, you are supporting an organization that is helping children and teens within the Department of Child Services.

Thank you for your help in voting for New Life Ministries for Project Spotlight this month!

SUMMER EVENTS AND EXPO EXPERIENCES

Summers are full of fairs, expos, and events for those of all ages! We are grateful for the opportunity to spend time in the community at these events.

If you were able to attend the Annual Metronet Heritage Days Friday Night Car Show in Huntington, you may have seen Director and Pastor Jimi Staton and Women's Life House Director Carla Staton. They were busy handing out pens and stickers as well as information about the ministries we offer to the community. Jimi, Bob Burnsworth (Meal Ministry Director), and others were also given the opportunity to share about our ministries on WOWO. Even better, it was great to reconnect with many people we have had the pleasure of meeting through our ministries!

New Life Ministries also had the opportunity to participate in the Huntington County Senior Expo this year. The event was wonderful and the people we met were extremely kind and supportive. We were able to share stories of the work we are doing and meet many individuals who help serve free meals at our Meal Ministry. Being able to say thank you to these volunteers was a blessing to us.
