## THE TEAM WITH A PASSION FOR HELPING PEOPLE

It takes a team with a passion for helping people to operate our ministry programs, specifically our Men's Life House and Women's Life House programs. Our Life House team is pictured above. From left to right, our staff includes Kirk (part-time staff member), Lisa (house manager), Phil (part-time staff member), Pam (house manager), Deb (part-time staff member), Carla (Life House Director), Larry (part-time staff member), and Jereme (house manager). Not pictured is Chelsie (part-time staff member).

The men and women who make up our team work hard without expecting recognition for the work they are doing and the impact they are making. They help mentor our residents, lead classes, ensure safety in the homes, and much more.

Deb works part-time at our Women's Life House and has been with our team for many years. "I enjoy working at the Women's Life House because I can help the ladies get back on their feet and reach out to them with love and compassion, hoping they may find Jesus on their path too," shares Deb. "I like chatting with the ladies on my shifts too!"

Kirk is one of our part-time staff at the Men's Life House and has been with New Life Ministries for one year. When asked why he wanted to work at the Men's Life House, Kirk shared, "I have a degree in Psychology with a focus on Substance Abuse Counseling. I knew this job would allow me to use my degree while helping men get closer with Jesus. It's the perfect job and I like to help the guys any way I can."

We are beyond thankful for the work of our staff and know they are impacting the lives of the men and women we serve. We could not do what we do without their dedication and hard work.

If you have a passion for serving people and might be interested in joining our team as a part-time staff member at our Men's Life House or Women's Life Houses, we encourage you to contact our offices. Email resumes to [info@nlm-in.org](mailto:info@nlm-in.org) and, if we have positions available, we will contact you.

## LIFE HOUSE GRADUATION: EVAN

In September, we celebrated our second Life House Graduation of 2023. Congratulations to Evan for graduating from the Men's Life House.

Evan's story is unique to many we have served. When he turned 18 years old, Evan found himself on his own and in a challenging situation. As an 18 year old, he was old enough to enter the Men's Life House. However, Evan's time in our program was unique because he was still in high school.

Evan worked hard. He strived to meet the requirements of the Men's Life House while meeting the requirements of high school. He never gave up.

We are proud of Evan and his hard work and have watched him grow up during his stay with us. Please continue to pray for Evan as he finishes high school and continues to follow where God has called him.
